

# Can You Help?

Junior Achievement empowers young people to own their economic success. During the 2016-2017 school year, Junior Achievement of Northern Indiana reached approximately **139,000** students in our 30 county area. Our volunteers share financial literacy, entrepreneurship and workforce readiness skills students will need to succeed in their futures.

## Where Are Volunteers Needed?

### **Woodlan Elementary School Programs (1<sup>st</sup> & 3<sup>rd</sup> grade classes)**

- *Standard Delivery Method:*

5 visits, 30-45 minutes each visit

## How It Works:

- JA Provides all volunteers with training & materials. The curriculum is already ready for you.

## **Your Role**

- Teach the 5 to 7 required weekly visits with a local classroom where you share the Junior Achievement curriculum.
- Partner with an educator to help students connect in-class learning with real world applications in financial literacy, entrepreneurship and workforce readiness
